Professional Experience

07/2024 – 06/2025	**Front end web devloper**
Bahawalpur	*Engimatix*
	I worked as a Front-End Developer, building responsive web applications using **HTML, CSS, JavaScript, and React.js**.I developed **responsive and interactive web applications** using **HTML, CSS, JavaScript, and React.js**. I worked on **API integration**, managed state with **Redux**, and ensured **fast, mobile-friendly, and cross-browser compatible websites**. I contributed to **UI/UX improvements** using **Tailwind CSS** and **Bootstrap**, participated in **code reviews**, and collaborated closely with the team in an **Agile environment** using **Git/GitHub**. This experience strengthened my technical skills, teamwork, and problem-solving abilities while giving me hands-on exposure to real-world front-end development projects.

07/2025 Bahawalpur	**Internship** *Full stack developer* Skilled Full Stack Developer with hands-on experience in designing, developing, and deploying dynamic web applications. Proficient in both front-end and back-end technologies including HTML, CSS, JavaScript, React, Node.js, Express, and MongoDB. Strong understanding of RESTful APIs, databases, and cloud platforms. Passionate about clean code, responsive design, and delivering scalable software solutions.
